

Andile Ntuli

113 Dichela Street, Pretoria East — 062 914 2321 — ntulindilee@gmail.com linkedin.com/in/andile16 — github.com/MissAndileN

Education

Belgium Campus iTversity, Diploma in Information Technology
Mamelodi Secondary School, National Senior Certificate

Jan 2023 – Present
Jan. 2016 to Dec. 2021

Relevant Coursework

Software Development, Web Technologies, Object-Oriented Programming, Database Management

Experience

Gym Management System

2025

C#, ADO.NET, SQL Server

- Built a CRUD desktop app for gym member and class scheduling.
- Integrated SQL Server stored procedures and file-based login system.
- Applied object-oriented programming principles and exception handling.

Employee Management System

2025

Java, JSP, Swing, PostgreSQL

- Developed a login system using JSP/Servlets and PostgreSQL.
- Created a Java Swing GUI and connected it to JavaDB.
- Deployed system using Apache Tomcat and GlassFish.

AFCON Football NoSQL Database

2025

MongoDB, CLI

- Created a CLI app to manage player and match data.
- Designed a MongoDB schema and implemented queries for efficient data retrieval.

Technical Skills

Languages: C#, Java, Python, JavaScript, HTML/CSS, SQL

Frameworks: ASP.NET, Spring Boot, React.js (Beginner), Express.js (Beginner)

Libraries: Swing

Tools: Git, Visual Studio, Netlify, Power BI, Apache Tomcat

Databases: MySQL, SQL Server, MongoDB, PostgreSQL

Certifications

- SheCodes Certificate – HTML, CSS, JavaScript
- Codecademy Certificate – HTML, CSS, JavaScript
- ALX Virtual Assistant Certificate – Agentic Automation

Hobbies & Interests

- Building coding projects and exploring new tools
- Solving logic puzzles and participating in coding challenges
- UI/UX experimentation with web design
- Reading tech blogs and watching developer tutorials
